We celebrated our 32nd Birthday on July 21st at Crisis Nursery Centene in St. Louis City!  Pictured left to right:  Advisory Board Chair Bill Siedhoff, St. Louis City 9th Ward Alderman Dan Guenther, St. Louis City Mayor Lyda Krewson, Board Member Karen Barclay Hughes, CEO DiAnne Mueller and Board Member Lawrence Hopkins.

The Saint Louis Crisis Nursery opened its 10th Outreach Center at Mercy Hospital South (St. Anthony’s Hospital) in south St. Louis County.  Laura Bub, MPH, community benefits manager at St. Anthony’s/Mercy, said, “We saw a recurring theme arise around a need for services for children and families.  Coupled with the fact that we knew that partnering with the Crisis Nursery and making space for an Outreach Center on our campus would be a perfect fit.”  Pictured left to right:  DiAnne Mueller (CEO, Crisis Nursery), Dennis Holter (Vice President Business Dev., Marketing & Charitable Foundation, Mercy), Kim Blackford (Crisis Nursery Family Empowerment staff), Laura Bub (St. Anthony’s Medical Center), Bryan Kaemmerer (President, Crisis Nursery Board of Directors), Sharon Neumeister (Director of Community Health Services, Mercy) at Mercy Hospital South.

All of our dreams for the St. Charles Nursery came to life when we were chosen by Lowe’s Home Improvement as a part of their national “Heroes” project.  We were told to dream big, so we did and boy did Lowe’s deliver!!!  The Lowe’s team went above and beyond installing new flooring and light fixtures, painting walls and building a new playground structure!  They upgraded landscaping, overhauled the intake office with new cabinets and more efficient workspace to the delight of the staff.  You are OUR Hero, Lowe’s TEAM and we are forever grateful!  A HUGE thank you to the Centene Foundation who installed the beautiful new safe rubber ground cover for the playground!!

Over The Top for Tots
November 8, 2019
The Saint Louis Crisis Nursery’s Over the Top for Tots event raised a record $145,000 to support the Crisis Nursery’s mission to prevent child abuse and neglect. Over 550 participants (also a record!) browsed 25 vendor booths: mingling, shopping, and tasting, before enjoying an excellent lunch, exciting live auction, and inspiring stories from Crisis Nursery Social Workers.

The Crisis Nursery presented awards to people and businesses who have gone “Over the Top” to help the Nursery. The Children’s Champion Award was presented to Angela Owen, Region Marketing Activation Manager for Coca-Cola North America, and Linda Markus, District Manager for Shop ‘n Save/Supervalu. Penny Rogers, Vice President at BancorpSouth, was the recipient of the Healing Hearts Award. This year’s Guardian Angel Award winner, The Blue Ribbon Committee, was formed almost 15 years ago to support the Crisis Nursery locations in St. Charles County.

Linda Gerhardt with her family and friends won the auction item to be one of the VIP tables.

JoAnn McElroy and Judy Ferguson Shaw perused the vendor booths and over 75 raffle items.
